

End of Summer Home Maintenance Tips

- ✓ Get your furnace or HVAC system checked by a professional.
- ✓ Clean gutters and downspouts.
- ✓ Clear debris and toys from the yard.
- ✓ Clean outdoor furniture before you store it.
- ✓ Get your fireplace and chimney inspected by a professional.
- ✓ Test and change batteries of smoke alarms and carbon dioxide detectors.
- ✓ Inspect patios, decks, walkways, and driveways for damage that could lead to winter hazards.
- ✓ Clean and drain your gas power tools like mowers and edgers.
- ✓ Seal gaps on the outside of your home where critters might move in over the winter.
